Timmins

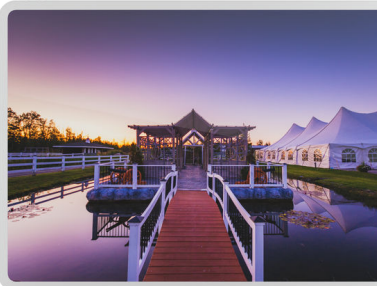

Meetings, Conventions, and Sports Tourism Resource Guide

Welcome!

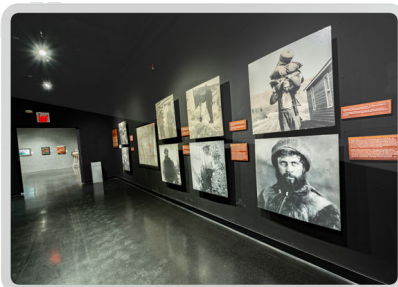

The City of Timmins promises an experience like no other - an experience that is out of the ordinary. Over the years, the City has developed a reputation as a first-class host for major, national caliber events and is also known for the various seasonal and cultural festivals held by different groups throughout the city.

Timmins is more than capable of hosting your event in one of our many facilities; however, it is the outdoor recreation and team building opportunities that will keep you coming back again and again to our great city. The Mattagami River runs through the city and provides opportunities for water sports as well as scenic views from the trails that line its shores. Our long winters offer up the chance to play in the snow and take advantage of the beautiful Northern scenery.

Timmins really is a gem and easily accessible from major cities throughout Ontario; transportation to our city is available through a variety of means. We are always looking to offer visitors new, enriching, and inspiring experiences that will keep them coming back and allow them to share their stories of our great city with others.

As ambassadors of the city with a heart of gold, we know that your guests will be fascinated by the beauty, history, and legendary Northern hospitality. We would like to extend a personal invitation for you to come and meet in Timmins! You might arrive as a stranger, but you will leave feeling part of the Timmins family.

Yours in Tourism,

Tourism Timmins Team

10 Reasons to meet in Timmins

1 Multitude of outdoor networking activities

Kayaking, canoeing, fishing, swimming, ATVing, snowmobiling, snowshoeing, cross country skiing, downhill skiing, tubing, skating – we have the space and facilities to participate in so many activities.

2 Timmins is a growing community with a rich history

We have over 100 years of history and our community is deeply rooted in mining. The first vein of gold was discovered in 1909 and discoveries are still being made today. Share this history with your guests and enrich your event.

3 We have 4 distinct seasons that offer different opportunities

You can always count on a long, cold, crispy snow kind of winter, a fresh and dewy spring, a green and active summer, and a golden autumn. Regardless of the time of year, your delegates will appreciate the outdoors in Timmins.

4 Friendly, Northern Ontario hospitality

Northern Ontarians are friendly people, we care about our communities and we show our pride. Host your event here and leave feeling part of the Timmins family.

5 Endless opportunities to see local wildlife

You don't have to leave the city limits to see the wildlife that lives in the Timmins area. From the majestic, Canadian Moose to black bears, our natural landscape houses many creatures. Participate in the Cedar Meadows Wilderness Tour and guarantee your opportunity to get up close and personal with wildlife!

6 Relaxed atmosphere with a view of the stars and the Northern lights

Timmins really is a breath of fresh air and coming here is an opportunity to unwind and slow down which helps set a relaxed tone for any event. On a clear night, you will have a breathtaking view of the stars, even from downtown Timmins. On cold winter nights, the Aurora Borealis are visible.

7 Close proximity of airports to amenities

You can get from the Timmins Victor M. Power Airport to downtown Timmins in approximately 10 minutes by car. Timmins has over 60 spaces available for meetings, conventions and other events – we are sure to have a location that meets your requirements.

Timmins

There are reasons to come to Timmins in every season

Spring

Revitalize your guests with the springtime freshness in Timmins. When the snow thaws, we open our windows and invite the fresh air in. Timmins in the spring is delightful. After the long winter, we are anxious to put our snowshoes away and take our bicycles out. There are many places to take advantage of the mud on ATVs and adventure companies to point you in the right direction!

Summer

Inspire and motivate your delegates with the natural beauty that is Timmins. Summers in Timmins are active and green. There are so many activities to participate in when you are in a city that has over 500 lakes and rivers – from swimming to kayaking and canoeing or simply enjoying the beaches! With so many bodies of water, fishing is a great outdoors activity to enjoy during your stay. There are an abundance of cycling, hiking, and walking trails.

Autumn

Timmins turns golden in September and the clean, Northern air becomes crisp. Hiking trails offer a different kind of scenery come fall, and there is still plenty to do. Take advantage of our beautiful golf courses with their new colouring before they are blanketed with snow. The Tamarack trees turn bright yellow and the mornings become frosty and fresh.

Winter

There are many outdoors networking opportunities for after-meeting hours and team building exercises. We've been enjoying winter for over 100 years, so trust us when we say that there is a lot to do in order to appreciate the winter wonderland that is Timmins. Snowshoeing, alpine skiing, cross country skiing, snowmobiling, tubing, sliding, skating, hockey-playing, hiking, ice-fishing, dog-sledding – so many opportunities to enjoy the predictably long, snowy season. We have a snow resort, and one of the largest cross country ski clubs in Canada.
